WORK EXPERIENCE

General Dynamics Information Technology, Chantilly, VA
Software Development and AWS, Intern   June 2019 – Present
- Coordinated and co-developed with a team to improve the HR portal used by our subcontractors
- Used GitHub to setup a Grails test environment to push each improvement piecemeal
- Managed and expanded upon a SQL database used to store all subcontractor employee information

CSRA Inc., Chantilly, VA
Cloud Developer, Intern   June 2018 – August 2018
- Created AWS cloud environments for software development
- Coded and deployed a virtual machine file converter to the DoD military cloud
- Gained experience converting between VMWare and KVM virtual machines

Petsmart, Alexandria, VA
Pet Care Specialist   June 2016 – January 2018
- Responsible for the care of every reptile, fish, bird, and small animal in the store
- Handled selling products to customers while ensuring the animals were being sold to a good home
- Ran overnight stocking shifts at multiple stores all around the DMV

ACTIVITIES AND HONORS

Omega Alpha Kappa, LLC.
Vice President, New Member Educator   May 2018 – May 2020
- Successfully oversaw and coordinated 11 core committee operations daily
- Developed organization's social platform including website cohesiveness
